

Round The County 2018

Sailing Instructions

Amendment #2

These changes are related to Sunday Short Course Finish, so that SI **9.2.3** and **9.3.6** are consistent.

9.2.3 Is changed to read:

Short Course Finish Line is from where the race committee is located at Alden Point on Patos Island and lying at a compass bearing of ~~463~~ 343° magnetic extending ½ mile from shore. Boats must pass within ½ mile of shore at Alden Point. Follow SI 3 at this point.

9.3.6 Is not changed, and remains:

Leg #2 (Sunday) Shortened Course finish line extends from Alden Point, Patos Island at a bearing of 343° magnetic. Observe the water depth when close to shore. Record and preserve your GPS halfway time when the boat's GPS LON is equal to or less than 122° 58.260W.
