

# **Round The County 2019 Notice of Scoring Corrections**

As is allowed by the Racing Rules of Sailing Rule 90.3 (c) and by Sailing Instruction 9.3.7, the Race Committee determined that boats were scored incorrectly based on the combination of observed and competitor self reported haly-way times available.

The incorrect boat scores were a result of time required to collate the self reported times and the lack of personnel to do so in a timely manner. The Race Committee and the Organizing Authority apologize for this failure.

The RC has made these corrections and published the corrected results. There were minimal changes in the top five boats in classes, and only one top three boat dropped out of the top three.

A complete review will be forthcoming in the coming weeks and a link will be provided on the Round The County website (<http://roundthecounty.com>) and social feeds.

Any filed redresses will be handled by the jury and a hearing is tentatively scheduled for Tuesday evening.

Sincerely,

Charley Rathkopf  
Principal Race Officer
