

# Round The County 2019 Sailing Instructions Amendment #1

These changes are related to the US Sailing Safety Equipment Requirements.

- 1.4. Is changed to read:  
Boats must meet the US Sailing Safety Equipment Requirements for “Nearshore” *including 2.4.1 requiring lifelines, 2.7.2 requiring propulsion, and 3.7.1 requiring life sling or equivalent, and after dusk 3.2.1 requiring have jacklines, and 3.1.4 requiring harnesses & tethers are mandatory. After dusk installed and require all crew to shall wear life jackets having lights, whistles, and tethers. GPS & MMSI in VHF radios per 3.8.2 is not required, but is suggested. US SER 2.4.4 is not required.*
